I'll never walk alone.

These two walks are the last walks of my 3,000 mile journey. People ask me why do I do these walks on my own. The answer is, that I am never on my own. As a Christian, I believe that Jesus is walking with me, through the times of joy and pain. I believe that God has got me home safely each time. I am also thankful of the support and encouragement given to me by the people of St. George's Church. I am also thankful of the inspiration given to me by Roy and the St. George's Church Choir for the hymns that I have been able to play on my movies on YouTube, and for Christine and Ruth for allowing me to share these things on the website.

I'll never walk alone.....

Heavenly Father, I Thank you for what you have allowed me to achieve and experience over these 3,000 miles and allowing me to share these with those around me. I am very aware of those who cannot experience these things and pray for your healing, strength and inspiration as you work through each and everyone of us and may everything that we do, be to your glory. Through Jesus Christ, Amen.
